The hunt today was a little shorter than normal (approx. 5km) due to the upcoming Easter holiday and birthdays in the near family.

We were gifted with two guests from Ukraine, Vera and Liubov, who had their first hunt on 160m.

But as you can tell from the results, they are not beginners, so we will eventually have to step up a little bit to compete with them. Thank you to Vera and Liubov for joining us and we are looking forward to seeing you again in our coming events.
